2) If retirement is from the U.S. Coast Guard, allow six months from the date of retirement before submitting this form.

Use SF 813 only to request verification of a retiree's military service performed in a nonwartime campaign or expedition for which badge/medal was authorized, in order to credit such service for leave accrual rate and reduction-in-force purposes. Complete the address block and items 1 through 11, and send the form to the appropriate address listed below.

The SF 813 should be used to request verification of participation in a nonwartime campaign or expedition, and dates of participation, only if this information is not documented on the retiree's DD Form 214. It is the retired member's responsibility to provide the name of any nonwartime campaign or expedition for which credit is requested. Service will be verified only if the SF 813 lists specific campaigns/expeditions and inclusive dates of the retiree's participation. It is not sufficient to list just the service component (e.g., "USAF") or medal (e.g., "Armed Forces Expeditionary Medal"). If a follow up request is necessary, reproduce a copy of the original request and clearly mark the top of the SF 813, "Follow up Request."
